BAI Alternative Investor Conference 2023

- Kap Europa, Frankfurt am Main
- 25. / 26. April 2023
- Start: 9.00 am

In April 2023, the Alternative Investor Conference 2023 will once again be the annual industry conference on the topic of alternative investments. Look forward to expert presentations, keynote speeches and panel discussions from the areas of strategic asset allocation, ESG & regulation, private markets and credit specialties, among others. The event is focused on institutional investors across asset classes and products.

This year we are again sponsoring the event and will be present with some colleagues. If you have any questions in advance or would like to make an appointment with us, please contact us: patrick.geraats@hal-privatbank.com.

You can find out more about the event and how to register at: <https://www.ai-conference.com/en/about-the-conference>
